OWNERS WARNED

(Continued from Page One)
early Friday morning about 7 o'clock, when his telephone began to ring, and continued ringing throughout the day.

Although on Friday, 10 dogs died of the poison, all of them in the northeast section, and including animals belonging to Frank Morris, Lloyd Claussen, Howard Blair, Cloyd Fessenden, Rosa Nash, Jen Norris, and N. N. Starling, as well as three unknown, but tagged dogs.

An autopsy performed by Dr. Clarence Kidder, local veterinarian, on Starling's dog, which Willis said died convulsively about 5:30 pm Friday, revealed strychnine in the stomach, mixed in with a very small amount of what Willis said was probably canned cat food.

Since Friday, an additional seven dogs have succumbed in the same manner, Willis said, warning the public that "there will undoubtedly be more cases."

"It is important to keep your dog close at home," Willis said, warning against any straying

tendencies. "We don't yet know for sure who is responsible for this deliberate campaign, but we are doing our level best to locate the person or persons."

Anyone who has any information that might be helpful in bringing the guilty one to light is asked to get in touch with the City Inspector.

LOCAL POLICE OFFICER MARRIES CLEWISTON GIRL

Joan Mildred Harris and Fred Parnell Archer were united in marriage on January 12, in a ceremony at 8 p.m. at the home of Mr. and Mrs. R. E. Harris, Clewiston, aunt and uncle of the bride.

The Rev. E. E. Archer, pastor of the First Baptist Church of Canal Point, and father of the groom, officiated at the double-ring ceremony.

The living room, lit by candle light, was decorated for the occasion with spring flowers.

The bride's only attendant, Miss Doris Leanne Adams, wore a dress of navy tulle with white accessories, and a corsage of white carnations.

The bride was dressed in a frosted gray and white suit with white accessories. She wore a corsage of pink carnations.

A reception followed the ceremony. The dining room table, centered with the traditional three-tiered wedding cake topped with a miniature bride and groom, held other miniature figurines of bride, groom, and bridesmaids to complete the table decorations. Punch and coffee were served with wedding cake to guests who included Rev. and Mrs. E. E. Archer, Rev. Collins, Miss Ora Lee Archer, Mrs. George DeVane, Mr. and Mrs. J. M. Harris, Mr. and Mrs. Nelson Nelms, Mr. and Mrs. J. P. Harris, Mrs. T. R. Holland, Mrs. Ovidia Davis, Mrs. Ellis Elder, Mrs. Raphael Elder, Mrs. Eddie Tamek, Mrs. Clint Rutledge, Miss Cayle Davis, Miss Harris, and Robert Gerald Harris.

Pictures were taken by R. H. Crawford, friend of the family. The couple left for a short wedding trip to the West Coast, and have returned to make their home at Belle Glade, where he is a police officer.

No date has been set for the wedding.

Mrs. Barry Banks and her two sons, of Massapequa, Long Island, are visiting her parents, Mr. and Mrs. J. D. Poole for two weeks. Also accompanying them is Mrs. Banks' mother-in-law, Mrs. Martin Banks, of Woodhaven, New York.

TEACHERS PARTIED BY MRS. ALICE CLOSE

Mrs. Alice Close was hostess at her home recently to members of the faculty of the elementary school. Serving as co-hostess with Mrs. Close were the Misses Dorothy Binkley and Ruth Doody.

Surprise Ending!

That raffle for our Volunteer Fire Department went over fine. We're going to have money to get a new engine—and some more.

Our local merchants really donated some wonderful prizes. Like Burns Bros., the radio-TV dealer, giving that big television set... and the Superior Motors putting up a brand-new car.

There was a humorous note, too. The prize of a year's supply of coal—donated by Baker Coal Yard—was won by Mrs. Thayer, whose husband is the biggest fuel-oil dealer in the county! What did

Mrs. Thayer do with the coal? She gave it to a church she's even a member of. (Her Church uses her husband's fuel oil.)

From where I sit, that's real generosity. But then, Mrs. Thayer never did believe in dividing people into groups. She's "for everybody" — whatever church they go to, whether they like TV or radio, people who enjoy temperate beer, people who don't like a really warm-hearted person.

Joe Marsh

followed by Sherry Mixson who entertained with a tap dance, accompanied at the piano by Miss Marian Najarian.

Mrs. Elmer Oaking who has delighted club members before with her piano interpretations offered Andante Finale by Donizetti, a composition played with the left hand alone. She also played Valse Chromatique by Godard.

The white damask covered tea table was most attractive featuring a centerpiece of yellow roses. At either end were tiered crystal candelabra with white tapers. Mrs. Nell Scullen presided over the silver service. Open face sandwiches, cookies, tea and coffee were served to approximately thirty members and guests.

Guests included Mrs. Roe Steele, Mrs. G. E. Davis, Mrs. Earl Williams, Mrs. Earl Mixson, Mrs. Peter LaChance, Mrs. Paul Kirchman, Mrs. Keefe Breeding, Mrs. Martha Crabbe and the participants on the program.

A picnic at Jensen was enjoyed recently by Mrs. H. E. Ridel, Mr. and Mrs. Dean Roberts of Peoria, Ill. and Mrs. Joe Roberts also of Peoria.

Mr. and Mrs. Herman L. Close and children visited recently with Mrs. Close's stepmother, Mrs. T. J. McGlone in Sanford.

Mr. and Mrs. Howard Galliford of Pittsburgh, Pa. are visiting with Mr. and Mrs. Walter Ashley and Mrs. Elizabeth Paff. Mrs. Galliford and Mrs. Paff sisters.

Mr. and Mrs. J. L. Tysinger of Hampton, Va., are guests of Mr. and Mrs. H. L. Royals.

Among those attending the Opera in Miami last Monday night were Mrs. Sylvia Weiman and her son David. Included in their party were the Misses Nancy Bull, Liska Humphries and Dorothy Breslar.

A recent house guest of Mr. and Mrs. Herbert Beck was Mr. Gordon Mings of Methuen, Mass. Mr. Mings flew to Miami from Boston and made the return trip also by plane. Other recent guests of the Becks have been Mr. and Mrs. Clifford Kindall of Morrisville, Pa. and Mrs. Roy Shrontz, West Palm Beach.

containing a "standard solution" for comparison. At the moment when the test solution achieves this color (if it does) an air jet into a volumetric tank is closed, and the amount of water measured in the tank shows the amount of breath pressure taken to change the solution to the "standard" — or intoxicated — color. From this amount, the quantity of alcohol in the body can be gauged.

So far, officers say, they are conducting a number of "trial run" tests on which no convictions will be based. After a suitable number of these tests, the Drunkometer will be officially in use.

"This test absolutely won't convict an innocent person," both Williams and Whitaker said. "It convicts the guilty, and releases the innocent."

Submission to the Drunkometer test is absolutely voluntary, officers say.

Best way to
control
wireworm
on corn,
sugar cane and
sweet potatoes

aldrin

Aldrin—approved by agricultural authorities for control of certain soil pests—has established a fine record for wireworm control on sugar cane, corn and sweet potatoes.

Easy-to-use aldrin can be applied to soil in two ways:

1. Apply aldrin directly on the ground, as dust or spray, and harrow it in when preparing seed beds.
2. Have your supplier mix aldrin with your fertilizer and apply with conventional row treatment.

Using either method aldrin is applied in small amounts... it's economical. Aldrin gets other insects at the same time. It controls rootworm and other pests... is now approved for controlling wireworm on sweet potatoes.

Make your next crop a profitable one, free of wireworm and other destructive insects... use aldrin before planting. Your dealer will be glad to give additional information.
